Acting on behalf of and representative of the aforementioned race team, I along with the aforementioned race team, competitor, car owner, and all staff agree, (to be referred to as we) to be bound by and accept to follow all rules, regulations, and policies of the Lucas Oil Late Model Dirt Series and I-10 Race Promotions. Furthermore, we are aware that by signing this document and registering to compete in this and any future Lucas Oil Late Model Dirt Series sanctioned event, certify that the aforementioned race team and all those associated with the race team agree that we have not and will not, at any point in the future deface; chemically alter, whether it be by means of non biodegradable or biodegradable chemicals; defraud; or otherwise enhance or attempt improve performance of any tire to be used in Lucas Oil Late Model Dirt Series competition. Approved methods of preparing a tire for competition are by means of grooving, siping, and/or buffing of the tire; however, it must pass all portions of Lucas Oil Late Model Dirt Series inspection. We agree if any tire fails any portion of Lucas Oil Late Model Dirt Series inspection, is deemed questionable or otherwise suspicious by any member of the Lucas Oil Late Model Dirt Series staff it must be surrendered to and becomes the sole property of the Lucas Oil Late Model Dirt Series. We also agree to pay all fines, penalties, testing fees, or any other costs incurred by the Lucas Oil Late Model Dirt Series if the tire is in fact determined to have been defaced; chemically altered, whether by means of bio-degradable chemicals or not; defrauded; or otherwise enhanced in attempt improve performance during any portion of Lucas Oil Late Model Dirt Series competition.

If a competitor is notified of a tire infraction from the lab and wants to send his or her Lucas Oil Late Model Dirt Series witnessed, sealed and undamaged sample to the Lucas Oil Late Model Dirt Series Prescribed lab. The sample must be the official LOLMDS sealed and undamaged sample the competitor received from the original LOLMDS collection site. An official of the LOLMDS must witness and sign off on all of the documentation received by the competitor at the collection site. The competitor has a maximum of 48 hours to send the abovementioned sample to the prescribed collection site. All the while granting the LOLMDS immediate copies of all shipping and Prescribed Lab paperwork and or results as each portion of this process transpires.
